WORLD MISSIONS BILGE AND SILVIA

Bilge and Silvia were called to return to the city of Bilge's forefathers in Eurasia to plant a church. After being trained and commissioned by the Hamburgprojekt, a church in our Germany Partnership, in July 2017 the couple relocated with their three young children to their new city where they are now in the process of planting a gospel-centered church. This is a key month for the Istanbulprojesi. The core team is holding an art exhibition on April 13, a faith and work event on April 19, and a preview service on Easter Sunday. All events are held with the goal of gathering people, developing relationships, discerning needs in the community, and sharing the gospel. Please pray for Bilge, Silvia, and their team as they continue to build the foundation for an official church plant launch. They praise God for their team—including the recent addition of local believers. Currently, they are asking the Lord for a larger meeting facility, residence visas for some of their team, more connections within the community, Silvia's language learning, good health, and wisdom as they go forward.

2019 MISSION PARTNER DIRECTORY

World Missions has issued an updated version of the Mission Partner Directory that includes profiles on all mission partners and church planting partnerships currently supported by First Presbyterian World Missions—with guidelines for prayer and communicating wisely. If you would like a copy of the directory, please contact the World Missions Office.
